Letter of Recommendation

Dear Sir or Madam:

I was Tzevachir's professor in two courses, Human Resources Management & Development with final mark 10 and Business Ethics with final mark 10. During that time, I watched Tzevachir grow into an outstanding individual who excels in both academic and personal pursuits.

As a student, Tzevachir was an active and conscientious member of the class and his grades were exemplary.

Regarding his personal characteristics, Tzevachir is extremely charismatic, focused, determined, outgoing and friendly. I feel very confident that he will be extremely successful in all his future endeavors.

Sincerely,

Associate Professor
